

Tending Our Garden ~ Planting Seeds ~ Growing Love

At St. Thomas we believe all people are beloved of God and we strive to live and proclaim God's love through our relationships, actions and words. As a community and as individuals, we are committed to Leading With Love, shining Christ's light in the darkness, creating safe spaces and offering hope, courage, peace and strength for the journey, and loving a new world into being. We are here for each other and for those in need. St. Thomas is a place of refuge for those who are wearied by the world and desire nourishment for the spirit and the soul. We are convinced the hope, love and good news that we have to offer our congregation and broader community are exactly what people need to navigate these challenging times in which we live. If you share our conviction and values, we invite you to make a financial commitment to St. Thomas to help us to continue make a difference in our community and the lives of people that we serve.
