Health Breakthroughs for Every Cat: FIP and Beyond

***A feline health symposium presented by
EveryCat Health Foundation, in conjunction with
Maddie's Shelter Medicine Program at the
University of Florida, College of Veterinary Medicine***

EveryCat Health Foundation, in collaboration with Maddie's Shelter Medicine Program at the University of Florida, College of Veterinary Medicine, is hosting a feline-specific health symposium July 8 and 9, 2022 at the University of Florida, Gainesville.

A wide range of contemporary topics, including FIP updates, will be presented and discussed. RACE credits, pending approval, will be available to veterinary professionals. Presented as a hybrid event, this event will also be open to the public, and offer opportunities to engage with researchers, and other prominent veterinary professionals in the world of feline medicine and behavior. In-person enrollment is limited to 150, on a first come, first served basis.

Registration will open in early 2022.
