New Business

In-Conjunction shows - Kathy C wants us to support two CFA clubs holding in-conjunction shows in addition of our current policy, or take the funding from the In-Conjunction show and put that money toward two CFA clubs holding in-conjunction shows.

Subsidy is not solely to encourage in-conjunction shows with other associations, but to help the CFA club put their best foot forward to encourage the other association exhibitors to show in CFA.

Kathy C - Plan to fully flesh out the program, make it clear our objectives, and clarify the rules about in-conjunction shows involving both CFA and other associations or two CFA shows.

Issue with HHP being listed under the breeds – On the published document, have an * that says “HHP Recordings were listed for informational purposes only”

Friday before October meeting the Board will have a Strategic Planning session.

Motion – Appoint two representatives, one from China and one from ID Other to fill the term until the next scheduled election - Passed

Two ID Reps were identified – subject to their acceptance

Mary Auth and George E to review the Constitution for recommended changes.

Meeting adjourned 11:35 am
