

Looking Ahead
The Epiphany of our Lord is Saturday January 6!

Epiphany is the day in the church year where we celebrate the coming of the three Magi, considered “gentiles” to the people of Israel, to pay homage to the newborn King through the giving of gifts. It marked the beginning of a new reality in the world where peoples of all nations and cultures could hear the revelation of God’s Love, Jesus Christ, together.

To celebrate this great convergence of Love in the world we at St. Andrew will enjoy a special a very special evening of Ojibwa/Chippewa prophecies, songs, and stories which reveal a reality of Love into which all peoples are ascending. Together we will celebrate the coming of Light to our dark world and wonder at the revelations of this Light which come to all peoples in the context of their own spiritual traditions.

Join us and bring friends to this event! Here are the particulars:
