Happening Retreat Bellwether Farm

Happening is open to youth in grades 9 through 12. This event is led by youth, with the support of adults, and the weekend is spent in a relaxed, informal, loving environment where you can enjoy fellowship and share your faith. It's a time to get closer to God and to continue to grow in the Christian faith.

Spring Youth Gathering Bellwether Farm

The Spring Youth Gathering and Diocesan Youth Event are yearly events for youth in grades 6-12, with a focus on building deeper relationships with God and other youth from across the Diocese. We do this in a safe community of adults and other youth through activities, service, and worship.
