Come learn about the CAMO Literacy Program and how St. Paul's volunteers have been collaborating to improve children's literacy in thirteen elementary schools in rural Honduras.

With photos and first-hand anecdotes, Kathy Tschiegg will introduce us to some of the Honduran children who are learning to read thanks to this important program.

Please bring a dish to share. RSVP to the Parish Office: (216) 932-5815. For more information, contact event co-chairs Connie Hanson, (216) 502-1192, or Joyce Pope, (216) 406-4042.
