

Clergy Conference

May 7-9, 2019

We are so often inattentive to God's presence, letting our roles become our identity: I am my job or my place in my family. To be holy is to remember you are God's Beloved and to center your life on that. The challenge for our moving towards holiness has to do with our frenetic pace as well as our divided lives. **The Rt. Rev. G. Porter Taylor**
