

## St. Luke's Episcopal Church is holding a Back to School Event on August 20<sup>th</sup>, 2020!

The goal is to have 200 bags that can be distributed from our side entrance for students in grades K-12.

Due to the fact that we are in a pandemic, we will be asking congregations **NOT to prepare the bags for us**. Congregations this year and members from our own community will be invited to either:

- Send or drop off collected items to St. Luke's, only if items have already been purchased
- Order items and have them sent directly to St. Luke's
- Support the ordering of these items financially by making checks payable to St. Luke's.

Below is a list of some of the items we will need. If you would like to purchase any of these items, please reach out to Youth Outreach Specialist, Kelcie Dugger, before doing so. This will ensure that items are not being ordered more than once. All items purchased online must be shipped to St. Luke's Episcopal Church to lessen the amount of people in contact with the items.

If you are not able to support our Back to School Event financially, please consider coming into St. Luke's the week of August 17<sup>th</sup> to put all the school items in each bag. We will have tables spread out in our gym and dining area to practice social distancing. All volunteers for this project will be required to wear a face mask and gloves. Email Kelcie Dugger to join the Back to School Team!
