Enter a world of multiple stories of compelling and fully human characters, with all their hopes, dreams, problems, and vulnerabilities. These themes and characters make up the rich world of this second novel of the Family of Choice series. From roses to vintage homes; from the Episcopal faith to spirituality; from dramatic West Virginia vistas to purring house cats; and of course, the different ways in which these memorable characters find love, from straight relationships to LGBTQ+ – this is *Family of Choice: Life on Life's Terms*. Fans of Jan Karon's books will enjoy this series.

Parishioner Corky Thacker was inspired by the Church of the Ascension to create the novel's Grace Church. Thanks to our head of the Altar Guild, Derek Lewallen, for creating this flyer and the bookmarks.
