**On December 10, 2005, Kechi Okwuchi got on a flight with about 60 friends from her boarding school between Nigerian cities Abuja and Port Harcourt. She was sitting in an aisle seat next to her best friend. This plane, Sosoliso Airlines Flight 1145, crashed. As one of two survivors out of 109, she has been in stages of recovery from burns and other injuries. She has had more than a hundred surgeries. Music served as an escape for her as she dreamed of performing in front of large crowds.**
