

## **Carlotta East Scholarship**

The Carlotta East Scholarship Fund was established to assist Episcopal women who need aid to complete their education, upgrade skills before returning to the workforce, or complete religious training.

The fund, established in 1945 with a bequest of \$7,874.88, is invested with the Trustees of the Diocese of Ohio. In June 1988, the invested amount was increased by \$5,000 when the Diocesan Episcopal Church Women (ECW) Board voted to transfer this amount from the Carlotta East liquid assets to the principal of the Carlotta East Scholarship Fund. The income from this investment is used to grant scholarship aid to Episcopal women. The usual grant for scholarship aid is approximately \$1,000 per applicant. Exceptions in amounts granted may be made by the Carlotta East Scholarship Committee.

If additional donations are received for Carlotta East Scholarships, that amount is added to the amount available for distribution to candidates.

The Carlotta East Scholarship Committee reviews the grant applications and submits recommendations to the Diocese of Ohio ECW Board Meeting, which is held prior to the Diocese of Ohio ECW Annual Meeting, held in April or May. The Diocese of Ohio ECW Board reviews the grant applications and usually approves the recommendations from the Carlotta East Scholarship Committee.

The deadline for applications is March 31 each year.
