

St. Dominic Before/After Care Program

The Saint Dominic Before/ After Care Program will begin on Wednesday, September 6th, 2023. The Before/After Care program offers supervision for students enrolled in pre-k program through eighth grade. A safe and caring environment is provided with opportunities for peer interaction. Supervision will be available on scheduled school days only.

Before Care, hours are 6:45 A.M. - 8:30 A.M.

After Care, hours are 2:30 P.M. - 6:00 P.M

The Before/Aftercare fee is \$5.00 (flat rate) per hour per child. Participants will receive a payment notice sent home with their child on Thursday for the previous week's attendance. Repeated failure to pay by the due date will result in the suspension of utilizing the program.

Checks are made payable to Saint Dominic School.

What You Must Know

1. Both Before Care and After Care will be held in the St. Dominic Community Room. Please use the parking lot next to the playground to park your car and walk your child to the community room doors to drop off or pick up your child.
2. Parents or Legal Guardians are required to sign their children out daily. Children will only be released to parents/guardians or persons listed as authorized to pick up children on the registration form.
3. If a child is not feeling well, the parent will be notified immediately and must make arrangements for their sick child to be picked up as soon as possible.
4. Children will be required to demonstrate good behavior. Parents will be notified immediately of any conduct that compromises the safety of the child or other children. If not corrected, this type of behavior may warrant the need to find a more suitable setting for supervision.
5. An emergency form must be completed and signed by a parent or guardian and be on file in the office.
6. In case of an early closing, parents will be notified, and children must be picked up as soon as possible.
7. Electronic games or iPods are not permitted in Before /After Care.
8. Children are only allowed to use their own supplies when doing homework or coloring.
9. Children are not allowed to play with cell phones. All cell phones must remain in your child's book bag at all times and may only be used in the presence of a staff member.
10. The Before/After Care Program is a service provided to help the working parent. It should not be used for play dates or to provide social interaction with other children.
