

# Welcome To Sixth Grade

Dear Student:

Welcome to the adventure of becoming a sixth grader. We hope to make this year a special one for you. Summer fun awaits you, but don't forget to complete your summer assignments.

**For sixth grade summer reading, please purchase and read "Out of My Mind" by Sharon Draper and see Mrs. McGuckin's webpage for the assignment and specific instructions.**

**Please read Mrs. Gualano's or Ms. May's webpage regarding the summer math assignment.**

When you return to school in September, remember to bring a healthy snack. A school supply list is provided to help you to be an organized, productive student.

May God bless and protect you.
