

Kick-Off to Kindergarten is a summer program that prepares young learners for the elementary environment and routines of full-day kindergarten. Early literacy learning, through the exposure to the foundational skills such as phonemic awareness, concepts of print, oral language, vocabulary building as well as introduction to mathematical concepts outlined in the kindergarten curriculum enable campers to enter kindergarten confidently in September.

Each day of this program, your child will be part of an interactive learning environment. Hands on use of technology including the SMART board and iPads provide for a fun and interactive learning experience in both language arts and math. Campers will have fun bonding with peers, while being guided and supported in a small group setting by one of Saint Dominic School's kindergarten teachers.

The classes take place over a two week period, with new and exciting material covered each day. The first week will take place Monday-Thursday, June 19, 20, 21, and 22. The second week will take place Monday-Thursday, June 26, 27, 28, and June 29. Class time is 9:30 A.M. - 11:30 A.M. Pick up and drop off is located at the Preschool Doors. Please provide a snack and a drink daily.
