

3D PRINTING TOYS, HACKY SACK and ROBOT CAR Coding SUMMER CAMP

Incoming Students to Grades 5-8

Mon. 6/22/26 - Thurs. 6/25/26

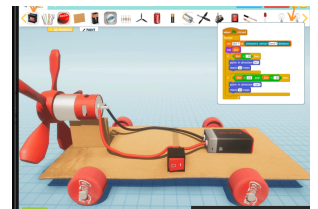

Hours: 9:00am to 11:30 am

Your child will be able to print their own toys using the 3D printer. In our free time, we will practice kicking HACKY SACKS! PLUS, campers will be introduced to a new online program - that lets them conduct hands-on STEM projects just like in the real world. We will have so much fun with coding and 'driving' remote robot cars. We will meet in the Community Room with Mrs. Platenyk.

Cost: **\$170 REDUCED** Cash or checks payable to: St. Dominic School

Please respond by 6/5/26

Contact: Mrs. Tracey Platenyk tplatenyk@stdomschool.org

Please cut here and retain the top portion for your records. Complete the form below and include it with payment. Thank you.. No refunds will be given once payment is submitted. Enrollment on a first come, first served basis. Class size is limited.

My child _____ 5 6 7 8
