

Literacy STEM Camp with Mrs. Turnbach and Mrs. Wojciak For rising 3rd and 4th graders

Reading fluency and comprehension happens across the curriculum, including the sciences. During this Literacy STEM Camp, the students will be strengthening their literacy skills and their problem solving strategies - all while being introduced to high quality fiction and nonfiction informational books. Classes will also include a hands-on component, and students will construct a new project each day.

Some of the topics we will explore include:

- Building/engineering
- Inventing
- Buoyancy/Sink or Float
- Recycling/Conservation

We look forward to helping your children read, explore, invent, build, and learn this summer.

Teachers - Mrs. Turnbach and Mrs. Wojciak

Place - St. Dominic School Library

Time - 9am - 11am

Cost - \$170 per student (per week)

Materials needed - Pencil case with pencils, colored pencils, scissors and markers
