

# 5TH GRADE SCIENCE TEACHERS!

Want to give your students a hands-on experience as they learn about cells and tissues?

Attend a free workshop and learn how to use Foldscope portable, durable, waterproof paper microscopes. Receive a certificate for CEU credit and a class set of scopes and teaching materials valued at over \$100!

Workshop offered **September 16th** or **October 7th**

Location:

Foothills Higher Education Center  
in Morganton

**4:00 - 6:30**
