# SOLICITUD DE SUBVENCIÓN DE PROYECTO

Reuniendo a los vecinos para liderar un  
cambio positivo en Clark-Fulton y Stockyards

*El Rally CLE está dirigido y organizado  
por Building Hope in the City.*

# ¿Qué es el Rally CLE?

Rally CLE existe para unir e involucrar a los residentes en torno a las ideas que tienen para mejorar sus comunidades mediante el apoyo a proyectos que promueven **la conexión, la equidad y el liderazgo de base**. Apoyamos a los residentes en las comunidades de Clark-Fulton y Stockyards a través de pequeñas subvenciones (hasta \$ 2,000 por proyecto), apoyo para la planificación del proyecto, asistencia para la participación de vecinos, así como el apoyo voluntario y / o profesional necesario para que su proyecto tenga éxito. Los proyectos anteriores han incluido, pero no se limitan a:

- Fiestas en bloque para construir comunidad entre vecinos
- Jardín comunitario y huertos para uso vecino.
- Instalación de nuevos parques en terrenos baldíos para reunir espacio.
- Parrilla móvil iniciada por jóvenes para uso comunitario
- Limpieza y embellecimiento de espacios verdes

**El 12 de septiembre de 2020** es el día del evento Rally CLE, donde Building Hope reunirá a líderes residentes como usted y apoyará a voluntarios para que comiencen, completen parcialmente o completen completamente su proyecto. Este año, esperamos 10-15 proyectos liderados por residentes. ¡En el tiempo previo a ese evento, proporcionaremos la implementación y el apoyo de planificación necesarios para dar vida a su proyecto!

Cualquier residente de las comunidades de Clark-Fulton y Stockyards es alentado a presentar una solicitud. ¡Estamos buscando financiar y apoyar proyectos que promuevan la equidad en el vecindario, la conexión entre vecinos y oportunidades de crecimiento para usted como líder! Si tiene una idea de proyecto para mejorar su vecindario, ¡esta es su oportunidad de tomar medidas! ¡Hay tantas posibilidades, así que siéntete libre de pensar fuera de la caja! A continuación encontrará nuestra solicitud para una subvención (beca) de proyecto. Haga su mejor esfuerzo para completarlo completamente aquí (pero no se preocupe si no puede hacerlo por una razón u otra) y una vez que se haya enviado, recibirá una respuesta sobre el siguiente paso en el proceso de selección.

¡Muchas gracias y esperamos saber de usted!

**Una vez que haya completado esta solicitud, envíe un correo electrónico a [anthony@buildinghopeinthecity.org](mailto:anthony@buildinghopeinthecity.org), llame al 216-373-0481 o envíela a:**

**Building Hope in the City  
PO Box 93568

# PROJECT GRANT APPLICATION

Rallying Neighbors to Lead Positive Change  
in Clark-Fulton and Stockyards

*Rally CLE is led and hosted by  
Building Hope in the City.*

# What is Rally CLE?

Rally CLE exists to unite and engage residents around the ideas they have for improving their communities by supporting projects that promote **connection, equity, and grassroots leadership**. We support residents in the Clark-Fulton and Stockyards communities through small grants (up to \$2,000 per project), project planning support, neighbor engagement assistance, as well as the volunteer and/or professional support needed for your project to succeed. Past projects have included but are not limited to:

- Block Parties to build community between neighbors
- Community garden and orchards for neighbor use
- Installation of new parks on vacant land for gathering space
- Youth initiated mobile grill for community use
- Greenspace clean-ups and beautification

**September 12, 2020** is the Rally CLE event day where Building Hope will gather resident leaders like yourself and supporting volunteers to either start, partially complete, or fully complete your project. This year, we're hoping for 10-15 resident-led projects. In the time leading up to that event, we will provide the implementation and planning support needed to bring your project to life!

Any resident of the Clark-Fulton and Stockyards communities is encouraged to apply. We are looking to fund and support projects that promote equity in the neighborhood, connection between neighbors, and growth opportunities for you as a leader! If you have a project idea for improving your neighborhood, then this is your chance to take action! There are so many possibilities so feel free to think outside of the box! Below you'll find our application for a project grant. Do your best to fill it out completely here (but don't worry if you're not able for one reason or another) and once it's submitted, you'll hear back from us about the next step in the selection process.

Thanks so much and we look forward to hearing from you!

**Once you've completed this application, please email to [anthony@buildinghopeinthecity.org](mailto:anthony@buildinghopeinthecity.org), call 216-373-0481 or send to:**

## Pregnant with Possibilities: Breaking news you don't want to miss!

Beverly Ann Burks <beverly@mycomcle.org>

Thu 7/2/2020 12:16 PM

**A message from our  
Executive Director.**

Greetings,

2020 is the year that we break down the strongholds that have held us back. Communities are demanding the end to the structural and systemic racism that has contributed to poverty, health disparities, multi-generational trauma, decreased infant mortality and positive birth outcomes. Right here in Cuyahoga County, the infant mortality rate is one of the highest in the United States. Pregnant with Possibilities Resource Center offers support to ensure women who are pregnant or up to 12 months postpartum "Birth Possibilities" for themselves and their babies. Although Covid-19 has slowed life down the need for perinatal support and essential baby items have increased. Will you partner with us and set up a monthly gift of \$20.00 per month? Your monthly gift will allow us to:

- **Offer workshops to two (2) pregnant and parenting families in our resource center in Maple Heights**
- **Provide diapers and wipes to ten (10) families**

### Fundraiser Details:

Although we can't be all together due to COVID-19, we're making PPRC's VIRTUAL Run/Walk a big community event in many of the following ways:

1. Upon registering you will be invited to download the Justmove App. Through the app you can log miles and see the progress of other participants.
2. You can see everyone who is participating on FaceBook: After you register, we invite you to: Post to "Walk miles in our shoes" FaceBook Event for the VIRTUAL Run/Walk. You will see who else is virtually attending.

You can also invite others to virtually join you for the month of August to track their miles or challenge others into a friendly competition.

We hope you'll also ask friends/family to sponsor your Run/Walk and let them know they can give REAL help through this VIRTUAL event.

3. At 10am on Saturday, August 1, everyone can tune in together to the FaceBook Live kick off, before we start running/walking. This will be a 5 minute live stream to get everyone excited to start.
4. Everyone can post a picture of themselves daily on social media. Tag us we'll add your progress to our stories daily. This will help motivate and encourage others to join in on the fun. Please use hashtag #PPRCruns or #Milesinourshoes
5. We will make a compilation video of all participants! Please send us a short 60 second clip about how you enjoyed the virtual walk/run fundraiser along with your progress by Monday, August 31, 2020 at 6:00 p.m. EST. We will share this compilation video with Run/Walk participants, so everyone can see how they were one part of this big event. We will also share the video with the kids who participate in our programs, to show them how many people care about their wellbeing.
