Greetings fellow business owners, property owners and community stakeholders! Tremont West is here with you and willing to help regarding connections to resources, advocacy and technical assistance.

You have experienced trying times, but you were 'Built for this'! The entire process of building your business was based on putting scarce resources together to create a great product or service. You have had setbacks once, twice...and lost count many times. We are here to help you through this so that you can talk about that one year back in 2020.

Please contact us directly for assistance and support. We also want to share the following information and resources for you:

Tremont News – www.experiencetremont.com/about/newsroom Information about latest updates regarding the COVID-19 crisis and general community updates.

SBA Economic Injury Disaster Loan Program – Low-interest, long-term loans of up to \$2M; Call the Small Business Administration's Cleveland Office at 216- 522-4180 for more details.
