

AlLENDALE CHRISTIAN SCHOOL

Class Placement Request Form for 2017-18

After the enrollment period is complete, the ACS principal and teachers will meet to assign class placements for students where multiple class options exist. The child's teacher knows the situations where students will experience the most growth. Factors that are considered are academic, social, and emotional needs, as well as the boy/girl ratio balance. ACS parents should only request special consideration for their child's classroom placement only if there are extenuating circumstances. These reasons may include unique social and emotional needs, possibly that the school does not know about. Please focus your requests on the needs of your child, as opposed to a specific teacher.

Student's Name: _____ Current Teacher: _____

Parents/Guardian Names: _____

1. Request: _____

2. Reason: _____

Parents/Guardians should understand that this request is not a guarantee that your child will be assigned as requested. There are many other factors that must be considered when placing children in particular classrooms.

Parent/Guardian Signature: _____ Date: _____
