Dear ACS Families,

The season of giving is here and the ACS Community is embracing an opportunity to bless others. Love Inc of Allendale is in need of Christmas gifts for teenagers. They invited us to come alongside and support the teens in Allendale letting them know to God everyone matters. That is the message we want to bring with our gifts.

Love Inc. recommends that no one item has a value of more than 20-25 dollars; however, most of these items can be purchased for much less. Feel free to partner with another family or send a dollar amount you are comfortable with and we will purchase items with the cash we receive. We are collecting from **November 21 to December 9**. We are eager to fill our donation table in the rotunda. Love Inc will pick up our gifts on Dec. 9 for this year's Christmas event.
