

ID THEFT PROBABILITY TEST FOR MINORS

| If you answer “yes” or ‘true’ to a question add the point value to your score: | Points |
|--|---------------|
| 1. A few of my friends know my passwords. | 10 |
| 2. I use the same password for a few of my accounts. | 5 |
| 3. If a really good deal pops up on my social media, I've been known to click on it. | 10 |
| 4. I'm not worried about being scammed on the internet. That only happens to old people who aren't internet savvy. | 10 |
| 5. I use free Wi-Fi at coffee shops to do my homework. | 10 |
| 6. I've never requested an annual credit report. | 5 |
| 7. I don't know what's so important about a Social Security number. | 5 |
| 8. Two-factor authentication is too time consuming. | 10 |
| 9. I love online gaming and am smart enough not to fall for scams. | 10 |
| 10. I use peer-to-peer file-sharing. | 10 |
| 11. I keep my social media and location public. | 10 |
