DESIGNS & PHOTOGRAPHY

APRIL 8 - 12, 2019 | GRADES PK3-12

Tanya Dales Designs & Photography is excited to be working with our Pinewood PTO to capture this year's black and white photos. The spring shoot will be held on campus during school hours....

- **LOWER SCHOOL** - Students will have their pictures taken during their scheduled library time;
- **MIDDLE SCHOOL** - Special arrangements will be made with the teachers to be photographed on non-PE days; and
- **HIGH SCHOOL** - Students can participate by appointment; parents need to email Tanya Dales directly at [tanya@tanyadales.com](mailto:tanya@tanyadales.com) for scheduling.

**SIBLINGS:** If you have more than one child attending the school and wish to have them photographed together, please email us so we can make the necessary arrangements.

#### NOT SURE WHAT TO WEAR?

Be sure your child wears something comfortable so they can look natural; try to avoid bold copy on shirts and oversized hair bows.

**ORDER INFORMATION:** Once the photos are ready for viewing, an email will be sent out with a link and password. You will have the option to purchase prints and/or download one or all of the photos from this site. **NOTE: Galleries will be created by class and passwords will be required to access the photos.**

Please remember this is a fundraiser -- it is completely optional and you are not obligated to purchase any of the photos.

Tanya is looking forward to meeting and capturing your child's personality!
