

On behalf of all of the members of the Department of Neuroscience

THANK YOU

to our clinical colleagues
for all you do to care for our community.

You make us proud

Department of Neuroscience

 Washington University in St. Louis
SCHOOL OF MEDICINE

From the Department of Neuroscience
Administration

THANK YOU

to our healthcare heroes at
Washington University School of Medicine

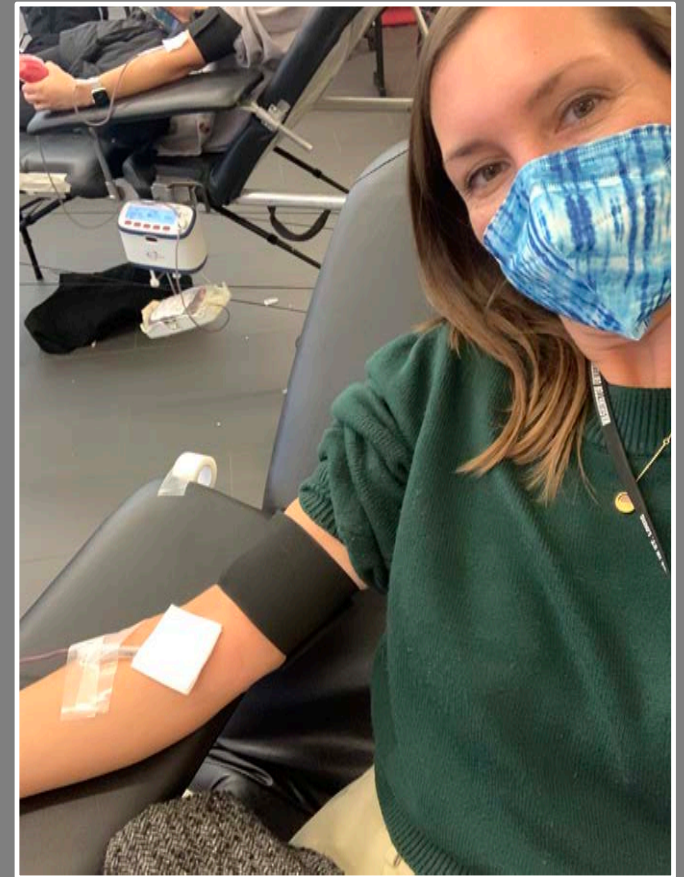

Department of Neuroscience

 Washington University in St. Louis
SCHOOL OF MEDICINE

The campaign to give blood from
the Department of Neuroscience and
the Department of Developmental Biology
is inspired by your commitment
to care for our community.

THANK YOU!

With gratitude and cheers for
our clinical colleagues,

Yao Chen's lab members &
their families

Department of Neuroscience

To all the health care
workers on the front lines
and behind the scenes to
keep us safe...
