**A Smile is a Funny Thing**  
(*Sung to "Auld Lang Syne"*)

A smile is quite a funny thing  
It wrinkles up your face  
And when it's gone, you'll never find  
    Its secret hiding place  
    But far more wonderful it is  
    To see what smiles can do  
You smile at one, she smiles at you  
    And so one smile makes two

He smiles at someone, since you smile  
    And then that one smiles back  
And that one smile smiles until in truth  
    You fail in keeping track  
And since a smile can do great good  
    By cheering hearts of care  
Let's smile and not forget the fact  
    That smiles go everywhere
