## FUNDING YOUR STUDENTS' LUNCH ACCOUNT:

Go to [www.myschoolaccount.com](http://www.myschoolaccount.com) and set up an account for your student. You will need their 4 digit Veracross ID number, you can obtain this at the ES office. Once the account is set up, you can fund the account through a funds transfer with your checking account. Be sure to set up a low balance alert to warn you when additional funds are needed.
