

YOU'RE INVITED

AASHTOWare
Bridge[®]
Management

AASHTO

AASHTO is recruiting qualified candidates to serve on it's AASHTOWare Bridge[®] Management Task Force. Selected candidates will have an opportunity to:

- Travel five to six times per year participating in product Task Force and User Group meetings
- Participate in conference calls between meetings
- Work on assigned tasks
- Commit to an initial term of three years

The ideal candidate has experience and familiarity in:

- Bridge Management
- Using AASHTOWare Bridge Management (BrM) applications
- Software Development/Project Management
- Information Technology supporting AASHTOWare Bridge Management (BrM)

BENEFITS TO YOUR DEPARTMENT

- Insight into the status of the AASHTOWare Bridge products which your department licenses
- The ability to influence the continuing improvement of those products and proactively incorporate AASHTOWare Bridge product changes into your department's operations
- Opportunity to acquire valuable contacts with other departments

WHO WE ARE

Eric Christie, AL- Chair

Beckie Curtis, MI

David Hedeon, MN

Kent Miller, NE

Craig Nazareth, RI

WHAT WE DO

- Provide technical oversight to the on-going support, maintenance and enhancement of AASHTOWare Bridge products.
- Meet with the software developers 5 times a year to ensure compliance with annual work plans.
- Set strategic direction for the AASHTOWare Bridge products

All AASHTOWare-related travel expenses are reimbursed by AASHTO including:

Airfare	Taxi's & Shuttles
Hotel	Incidentals
Meals	Personal Car Mileage
