

A Climate Conversation

YOUTH, FAITH, AND CLIMATE ACTION!

What images come to mind when you
think about climate change?

Whose voices do you trust on the issue?

What does the church teach in regards to caring for creation?

What are your greatest fears related to climate change
and the health of our natural environment?

What/Who inspires you, motivates you, and gives you hope?

Sunday, May 16, 3:00 p.m. via Zoom
