

2021 Epilepsy 5K Run and Walk

This is Val Budischak, the Executive Director of Epilepsy Foundation of Delaware awarding me the trophy for the top individual fundraiser.

This is me with my 26th trophy from EFDE for being the top individual fundraiser again this year!

This is me coming across the finish line at 52:27

This is my nephew Vincent, and his partner Ginger doing the 5K with me

Thanks again for supporting me in the Epilepsy 5K walk! Here are some pictures of me at the walk on June 5, 2021. With your help, I raised \$7,633, my top record in my 29th year of participation in the walk. This year I am happy to say that the walk went on as scheduled at Glasgow Park. There was a great turn out of participants on a very very hot day. I'll be seeing you all next year! 😊
