

There are currently 3 private bus companies serving The High School of American Studies at Lehman College and the Bronx High School of Science.

Please see below for the list of current transportation companies.

Those interested in contracting service for the 2022-2023 academic year should contact companies directly.

All contractual relationships will be between companies and families.

It is critically important that students and families understand that the Parents' Association and the school are prohibited from endorsing or recommending any transportation companies or services.

Contact vendors directly with questions and concerns.

Join the Bronx Science/HSAS Transportation Discussion Group on Facebook for updates and information. To gain access to the group, you must answer the screening questions.

CURRENT TRANSPORTATION VENDORS:

The following transportation suppliers provided bus service to HSAS and Bronx Science during the 2021-2022 academic year. They offer a range of prices, policies, services, and vehicles. Yellow school buses operate under different guidelines than coach buses. Students and families are strongly advised to consider all these factors. *Note: List is alphabetical.*
