

CCP- To Note in March

Completion of a [mandatory learning module](#) is a CCP requirement to ensure that nurses are aware of legislation, regulations, standards or guidelines that affect nursing practice. **Mentoring and Supporting Learners** is the 2025 CCP mandatory module. It is available in your “My profile “account and should take about 30 minutes to complete.

The learning module has 3 components:

- 1- Review the document.
- 2- Watch the webinar.
- 1- Complete the quiz (with a minimum score of 80%)

For guidance on accessing the CCP components, refer to the [Guide to the Continuous Competency Program \(CCP\)](#)

Reminder: As you complete the learning activities of your CCP learning plan, update your plan and record completed activities.
