

CCP- To Note in May

Completion of a [mandatory learning module](#) is a CCP requirement to ensure that nurses are aware of legislation, regulations, standards or guidelines that affect nursing practice. ***Mentoring and Supporting Learners*** is the 2025 CCP module. It is available in your “My Profile” account and should take about 30 minutes to complete.

The learning module has 3 components:

- 1- Review the document.
- 2- Watch the webinar.
- 3- Complete the quiz (with a minimum score of 80%)

For guidance on accessing the CCP components, refer to the [Guide to the Continuous Competency Program \(CCP\)](#).
