JOIN US IN-PERSON OR VIRTUALLY DURING WELL-BEING WEEK IN LAW - 2.0 EP CLE CREDITS

This event will discuss the professional and personal challenges lawyers face when planning for and transitioning from the full-time practice of law to full or partial retirement. Through the use of a film documenting one lawyer's professional journey, a panel discussion, and a presentation from an executive leadership coach, the event will include discussions about the practical and ethical challenges faced when disengaging from practice. The event will also address the risks to lawyers and their clients when lawyers choose — or, by economic circumstances, are forced — to stay in practice beyond a reasonable stopping point. Additionally, the event will explore options for continuing to stay engaged in a different model of practice, the importance of early financial and succession planning for lawyers, their clients, and their families, and the professional and personal turmoil faced when a lawyer suddenly ceases practice due to unforeseen circumstances.
