12-1 p.m. (MT)

Free webinar on the essential contracts needed for small business. This webinar will be presented by New Mexico licensed attorneys, Margaret Lorenz with the Modest Means Helpline, and Maria Trujillo of Briones Business Law Consulting.

Do you wonder what key contracts you should consider using in your business? What are the basic, core agreements you should create early in the life of your business, especially if you have a business with more than one owner? Do you know if non-compete agreements are enforceable? Should you have an employment agreement or independent contractor agreement with your workers? When are Non-Disclosure Agreements (NDA's) valuable and appropriate? What are the essential elements of a customer or service agreement required by the law? The answers to these and other questions will be explored in this webinar. **CLICK HERE TO ATTEND THE WEBINAR**. This is the second of 3 small business webinars to occur before June 30, 2025.
