JOYS AND CONCERNS

September 6, 2020

If you or someone you know has a life situation you would like the pastors or the congregation to be aware of, please call the church at 303-798-1845.

Rejoice in hope, be patient in tribulation, be constant in prayer. Romans 12: 12

JOYS:

A BIG THANKS to all who have organized outings, get togethers, phone calls to check up on members. Some of the activities have included Staunton State Park, Sassy Sisters, Book Talks, YMCA Yert Camping and other various activities to keep our church community connected.

We are grateful for future opportunities to connect with our CUC family, one of which is the outdoor church service at Clement Park on September 13th at 9:00 am.

Prayers for the fire fighters working to contain and extinguish the Colorado wildfires.

Prayers for good health, strength and patience for our families and communities in Colorado, the U.S., and the World as we deal with COVID19. Please pray for wisdom for our leaders, medical personnel, and researchers as they search for ways to contain the virus and to develop a treatment and vaccine.

Also, please pray for the paramedics, doctors, nurses and all those who are on the front line of service during the COVID-19 epidemic. We have many brave men and women serving during this challenging time.

There are other unnamed members and friends of CUC who have requested prayers as they deal with illness, grief, unemployment, financial challenges, significant concerns, addiction and anger management. Please keep them in your prayers as well as our military and those who serve our country around the world.

We invite you to participate in caring for the following members of our CUC family who would appreciate your prayers, cards, or emails. Addresses and email addresses are listed in the church directory or can be obtained by calling the church office at: 303-798-1845.
