Prayers for good health, strength and patience for our families, community and health workers in Colorado, the U.S., and the World as we deal with COVID19. Please pray for wisdom for our leaders, medical personnel, and researchers as they search for ways to contain the virus and to develop a treatment and vaccine.

Also, please pray for the paramedics, firefighters, doctors, nurses and all those who are on the front line of service during the COVID-19 epidemic. We have many brave men and women serving during this challenging time.

There are other unnamed members and friends of CUC who have requested prayers as they deal with illness, grief, unemployment, financial challenges, significant concerns, addiction and anger management. Please keep them in your prayers as well as our military and those who serve our country around the world.
