Prayers for good health, strength and patience for our families, community and health workers in Colorado, the U.S., and the World as we deal with COVID-19. Please pray for wisdom for our leaders, medical personnel, and researchers as they search for ways to contain the virus and to develop a treatment and vaccine.

Also, please pray for the paramedics, firefighters, doctors, nurses and all those who are on the front line of service during the COVID-19 epidemic. We have many brave men and women serving during this challenging time.
