

We at Delaware Science Olympiad have begun planning for the 2025-26 Science Olympiad Tournament Season. We appreciate all of you who coached a team last year and we hope to see many of you returning as a coach this year. For any schools that have not fielded a team last year, we hope you will consider fielding a team this year.

Delaware Science Olympiad inspires students to achieve the next level in their science education through exciting and challenging competitions. The 2026 Delaware Tournaments are:

High School Tournament	March 7 th (venue not finalized)
Junior High Tournament	March 21 st (venue not finalized)
Elementary Tournament	April 18 th @ The John Dickinson School

The Elementary Tournament has 10 events encompassing various areas of science. The High School and Junior High Tournaments each consist of 23 National Science Olympiad events and an additional Delaware event in the following areas:

- Life, Personal & Social Science
- Earth & Space Science
- Physical Science & Chemistry
- Technology & Engineering Design
- Inquiry & Nature of Science

The 2026 National Event Rules for high school and junior high will be released on September 2nd. They will be available at: <https://www.soinc.org/rules-2026>.

Delaware Science Olympiad is an all-volunteer organization. We are always eager to welcome new volunteers to help with our tournaments. Email us at DEScienceO@gmail.com to join our team.

Delaware Science Olympiad is a Delaware 501(c)(3) non-profit corporation. Although the team registration fees are the primary source of our funding, we rely on donations from individuals, corporations and other organizations. Corporations or organizations can sponsor an event. Reach out to us to make a donation or sponsor an event via email (DEScienceO@gmail.com). Donations via PayPal coming soon.

Delaware Science Olympiad is grateful for the teachers, coaches and event supervisors and volunteers who make Science Olympiad possible for students and make our tournaments a huge success.
