STEM Careers Coalition

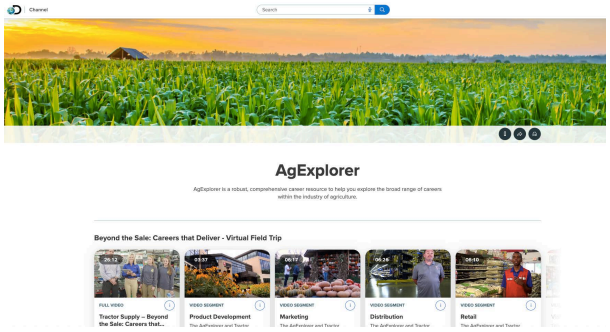

Connecting STEM from K to Careers

- Inspire students with standards-aligned STEM classroom activities that are paired with inspiring real-world scenarios.
- Explore and ignite a sense of curiosity and possibility to play a part in the future of the STEM workforce.
- Support STEM learning beyond the classroom with resources designed for families.

Social Impact Partnerships

With a diverse portfolio of partners – big brands, social impact organizations, sports leagues, and non profits – we introduce today's students to careers and experiences that bring the real world to the classroom.

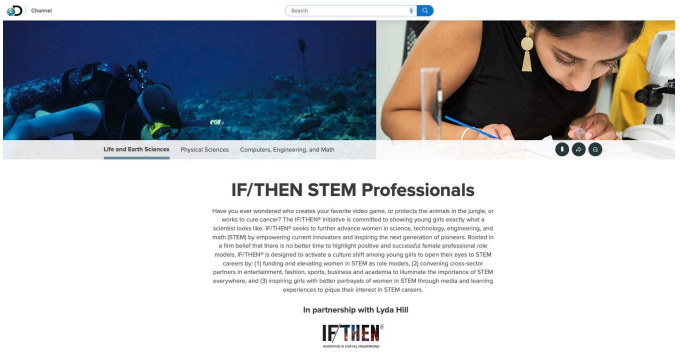

AgExplorer

AgExplorer is a robust, comprehensive career resource to help you explore the broad range of careers within the industry of agriculture.

IF/THEN STEM Professionals

The IF/THEN® Initiative is committed to showing girls exactly what a scientist looks like. IF/THEN® seeks to further advance women in science, technology, engineering, and math (STEM) by empowering current innovators and inspiring the next generation of pioneers.
