

## MUN 2026 PREP COURSE REGISTRATION / INDIVIDUAL REGISTRATION

For Middle School and High School students that would like to participate in our Monterey County Model United Nations Conference on April 11th, 2026, we are offering Model UN Prep Courses to prepare them for the conference. The fee is \$65.00 (which covers attendance at the conference).

We offer two Prep Course options, one for Middle School and one for High School (both are offered in-person and virtual via Zoom). Links are below to register.

To participate in our Model United Nations Conference, you must attend a Prep Course, or your School must be participating.

If you need more information, or are not sure if your school is participating, contact [info@lyceum.org](mailto:info@lyceum.org).
