

WE'VE GOT HEART
...AND SO WILL YOU!

INNOVATIVE FOR LIFE

Thank You
FOR YOUR SUPPORT!

OPEN HEART SURGERY COMING EARLY 2024

We are both proud and excited to announce that our Certificate of Public Need application for an Open Heart Surgery program has been approved! This could not have happened without the incredible support and enthusiasm of our community. You wrote letters, shared posts, signed our petition and voiced your resounding support.

Thank you for helping to make this life-saving program possible for the residents of southeastern Virginia and northeastern North Carolina.

Visit ChesapeakeHeart.com for updates.
