# 2019 DAY IN THE CAPITOL

## LEGISLATIVE PROGRAM & VISITS

WEDNESDAY, APRIL 10  
SACRAMENTO, CA

## 2019 CAWG DAY IN THE CAPITOL

Numbers matter and we need you to turnout with your fellow growers and industry peers for a day of grassroots lobbying in Sacramento on Wednesday, April 10. Our lobbying team headed by Michael Miiller, CAWG Director of Government Relations, and Jack Gualco, The Gualco Group, are planning an exciting and informative day for you with key legislators and top regulatory officials. The Day in the Capitol is your opportunity to talk with and educate key policy makers about important issues affecting your business.

The Day in the Capitol will begin with a speaker program and legislative review and will cover a variety of issues that are important to the business, agriculture and the winegrape growing communities. The day will continue with a keynote speaker luncheon. The group will then head to the State Capitol to meet with state Assemblymembers and Senators to lobby for and against specific bills moving through the legislative process.
