Central Coast Grape Expo (Nov. 6)

Save the date, Friday, November 6th for the biennial Central Coast Grape Expo held in an exciting new virtual format this year. Malcolm Media's premier event for Central Coast Wine Grape Growers and PCAs held in cooperation with American Vineyard Magazine and California Ag Network, it is the ultimate postharvest regional gathering place for wine grape growers and crop advisors. Hundreds of growers, PCAs and industry stakeholders attend this expo (historically held at the Paso Robles Event Center) to enjoy State of the Wine Grape Industry presentations with Allied Grape Growers and the Ciatti Company, Continuing Education Credited IPM seminars, and more. USDA Farm Service Agency representatives will also be leading a presentation to help growers apply for CFAP and other disaster assistance programs. Growers and crop advisors seeking continuing education credits will have access to obtaining up to 2.5 hours of credits and 4.5 hours of CCA credits. Registration for the event is free, but required for attendance.
