About CAWG PAC

Growing winegrapes is a risky proposition. Every year, growers confront new and challenging circumstances from mother nature, the market, and ever-changing government regulations. CAWG PAC works to help elect policy makers who understand our industry and will push back on government overreach. Be a part of that effort by joining us on Wednesday evening, January 25, and by supporting CAWG PAC.

Contribution Limitations: Contributions to CAWG's State PAC are limited to \$9,100 per calendar year, per contributor. The limit includes both monetary contributions and donated items (at fair market value). Funds will be used to make political contributions to state candidates, and for other political purposes. Contributions shall be voluntary, non-tax deductible, and you have the right to refuse to contribute without reprisal. All funds are deposited to our State PAC Account, unless instructed otherwise. FPPC ID #801893. If you would like to donate to the Federal PAC, checks must be received from individual contributions.
