About CAWG PAC: Each year growers confront new and changing circumstances: water, fires, pests, labor availability, and volatile markets. How can growers adapt to California's ever-shifting political climate? By joining us on January 24, and take action by supporting the CAWG PAC.

Contribution Limitations: Contributions to CAWG's State PAC are limited to \$9,100 per calendar year, per contributor. The limit includes both monetary contributions and donated items (at fair market value). Funds will be used to make political contributions to state candidates, and for other political purposes. Contributions shall be voluntary, non-tax deductible, and you have the right to refuse to contribute without reprisal. All funds are deposited to our State PAC Account, unless instructed otherwise. Please Note: If you would like to donate to the Federal PAC, checks must be received from non-corporate individual contributors.
