

CAWG ROADSHOW

Join the California Association of Winegrape Growers for a series of regional meetings throughout the state.

This is the perfect opportunity to reconnect and network with fellow growers and industry providers – all while catching up on CAWG's priorities and successes for the winegrape industry.

Four of the regional meetings will feature **guest speaker** John Roncoroni, Weed Farm Advisor Emeritus, UC Cooperative Extension.

Roncoroni will be discussing best management practices for weed control in vineyards, reviewing effective chemical and nonchemical weed management techniques.
