

Save Evanston's Elm Trees

Although the City of Evanston typically pays for the injections of all elm trees, funding this year is short approximately \$38,000.

PLEASE DONATE TODAY

Funds will be used to protect our magnificent Elm Trees in parks and on public lands. Any excess funds raised will support the care and maintenance of trees and green spaces throughout Evanston.

Go to The Evanston Community Foundation website: www.Evanstonforever.org/giving/give-now/ and enter "Fund for Evanston Trees" in the 'other' box. There is a 2.2% processing fee for credit cards.

Or send your check payable to
Evanston Community Foundation
1560 Sherman Avenue, Suite 535
Evanston, IL 60201
