ANNOUNCEMENTS

Face Mask Update

Face masks are no longer required to be worn at St. Luke Catholic Community at Mass and other indoor settings. Individuals may choose to still wear a mask; please be respectful of each other's decisions. As of March 4 in Los Angeles County, masking is strongly recommended, but no longer required in most indoor settings, including houses of worship.

Parish Volunteer Opportunity

We are looking for a few volunteers to clean up the pews each Friday. This would involve straightening the books and envelopes, replenishing the envelopes, and picking up trash in pews. A few times a year you would switch out the missalettes. If you are interested, please contact Kerrin at the Pastoral Office at kerrin@stluketemplecity.org or (626) 291-5900.

We have begun the spring campaign of **40 Days for Life**, forty days of prayer and fasting for an end to abortion. We invite you join others from St. Luke and from neighboring parishes to stand and peacefully pray in the public right-of-way outside Planned Parenthood El Monte at 4786 N. Peck Road (corner of Peck and Lower Azusa) during the 40-day vigil. Hours are 7:00 am and 7:00 pm daily during **through Sunday, April 10**.

Prayerfully consider signing up for just **ONE HOUR** during this Lenten season! You may sign up online at www.40daysforlife.com/local-campaigns/el-monte/, or you can contact our area's 40 Days for Life coordinator, Glendy, by phone at (626) 756-6934 or by e-mail at latinaglendy@gmail.com. AROUND TOWN

Important Zoom Event on Sextortion: The Hidden Pandemic

The Human Trafficking Faith Coalition is inviting you to attend a Zoom event on **Saturday, March 19**, at 8:00 am about sextortion of minors, the fastest growing crime in the world today. Sextortion is a form of sexual assault; pedophiles convince minors, some as young as 7 years old, to make child porn of themselves and send it to the predator. This crime impacts 9,000 children a day in the U.S.! The speaker at the online event is Opal Singleton, a top cyber exploitation expert in the U.S.

Register at <https://www.eventbrite.com/e/the-sextortion-of-minorsthe-hidden-pandemic-every-parent-should-know-about-tickets-267494341777>. The event recording will be sent to anyone who registers, even if you are not available to attend.

It is important as a church community that we understand the methods of these criminals and what we can do about it, so that we can raise awareness and protect children. May God bless you in your efforts to protect the vulnerable!

Scripture Reflection

A Glimpse of God

Have you ever had a glimpse of God? Perhaps you perceived God's presence in a quiet moment of prayer, a tender conversation with a loved one, or a difficult situation that was resolved unexpectedly.

Peter, James, and John in today's Gospel were given a glimpse of Christ's glory on the mountain, as Jesus was transfigured before them. Abram put his faith in God and saw God's power in a wondrous sign of covenant love.

We have the promise of eternal life with God in heaven. This promise brings with it responsibility, as people who are called to live as Christ's very own in the world.

Lent is the perfect time to resolve to listen more attentively to the Lord and follow God's ways, assured that in doing so, we put our faith in the one, true, and faithful God. © J. S. Paluch Co.

The importance of respecting boundaries in ministry

Good ministry occurs when a person establishes and respects healthy boundaries with the people he or she is trying to serve. Those who work in ministry have to be aware of healthy boundaries and what is and is not appropriate for these scenarios, because the risk of violation can cause serious harm. Good boundaries yield healthy relationships.

For more on how to establish boundaries in ministry, request a copy of the VIRTUS article "Preserving boundaries in ministry" at lacatholics.org/did-you-know/.

LIFE, JUSTICE AND PEACE SPOTLIGHT

Announcing the Opening of Regina Coeli Home of Love

The Mary Queen of Heaven Missionaries are thrilled to announce the opening of their transitional women's shelter in the San Gabriel Valley for victims of sex trafficking. The MQHM sisters have run shelters for trafficked women and children in the Philippines for many years, and we are excited for them as they embark on this new venture here in the San Gabriel Valley.

Regina Coeli Home of Love is a non-profit, Christ-based, 24-hour staffed, transitional housing program in the San Gabriel Valley for survivors of human trafficking to begin their recovery and healing as they look toward a new life.

Home of Love provides up to one year of transitional housing and direct services to survivors through a holistic, strength based, trauma, culturally and linguistically sensitive and survivor-informed comprehensive programming. Survivors are provided with their basic necessities, assistance with obtaining housing, work development and employment programming, life skills classes and mental health services, in partnership with holistic and comprehensive case management services.

Additional services include financial assistance, medical and dental care, document retrieval, transportation assistance, substance abuse recovery and support, access to public benefits, spiritual support, food and clothing, education assistance, court support, information on crime victims' rights and victim protective orders, and immigration services.

Regina Coeli Home of Love has compassionate and loving staff dedicated to getting to know their survivor residents and helping them attain hope for a future of freedom. They assist each survivor in completing the program and empowering survivors to a higher degree of aspiration and a brighter future by providing a holistic program of intervention and formation that will hasten their healing, stability, and well-being.

For more information, please contact the Home of Love Program Director Sister Isabel R. Alontaga, MQHM at mqhm96@gmail.com or (818) 261-6212. *We at St. Luke Parish have been blessed by visits from the MQHM sisters in the past. St. Luke Life, Justice and Peace Ministry hopes to have the sisters visit us again in early summer to meet you all, to tell us more about the Regina Coeli Home of Love, and how we can support this important ministry.*

AHA!

We can imagine the splendor of the Transfiguration in our Gospel, and in a manner similar to the Baptism of the Lord, we hear the voice of God booming down announcing Jesus the Son. It is another of the great epiphanies. But if you think about it, each reading this weekend has a sort of “Aha” moment to it. A moment of mutual commitment, of trust. In Genesis, God makes a covenant with Abram, promising him descendants numerous as the stars in the sky. The Psalmist professes his faith and hope: “I believe that I shall see the bounty of the LORD in the land of the living.” Paul’s letter to the Philippians lays it out simply in “drop the mic” fashion: “Our citizenship is in heaven, and from it we also await a savior, the Lord Jesus Christ.” That’s it. Boom.

THE RECAP

When you watch a TV series, they will often provide a quick synopsis of key events from the last couple of shows to set the stage for the current episode. If we do a quick review of the Gospel of Luke, earlier in chapter nine Jesus was sending the disciples out in ministry for the first time, and we had the feeding of the five thousand. Peter realizes that Jesus is the Messiah, Jesus gives us the first hint of his own death and tells the disciples to take up their cross and follow him. After all that physical, spiritual, and emotional stress Jesus goes out to pray on the mountain, taking Peter, John, and James with him.

THIS WEEK’S EPISODE

Once they were settled on the mountaintop, Jesus began to pray in earnest and, as usual, his wingmen fell asleep. The disciples did not yet have the strength or insights of the Master. Peter, James, and John did not yet have the stamina or the depth to be able to focus during long periods of silent, contemplative prayer, especially after their long hike. One might see visions simply due to exhaustion! As Jesus was transfigured before them, Peter might have bumbled around it in typical Peter fashion, but he realized the significance of what they saw, and he wanted somehow to capture the sacred, to capture the moment, so he asked to build some tents. If we imagined this today, we’d all be there with our phones and selfie sticks trying to get an amazing picture of it, to capture the moment, and to share with everyone on social media. But all the disciples could do was remember it, capture it in their hearts—and tell no one at the time. They were silenced by the sacred. We too must let our busy worlds and minds and hearts enter into the silence. Start out with a few minutes daily and continue to add a minute or two more each day. Listen for the sacred in the silence, and let the voice of God fill your heart. © J. S. Paluch Co., Inc.
