(Reminder - **only** print first page)

1. GERC rep needed from Geo, Bio, or Chem *April sent out an email about if you have anyone let her know*
2. Dean's Council Updates - Jim
 - a. *Faculty personal social media accounts are being scoured for anti-conservative sentiment in lieu of the killing of Charlie Kirk. Just be aware it could cause issues, but there isn't much else that can be done.*
 - b. *Spring adoptions will be coming to faculty by Oct. 15. Student evaluations will be in Canvas via Watermark. The faculty will get the results after the semester through Canvas. Can also be integrated into the gradebook.*
 - c. *Honorlok is the new online proctoring service. Replaced ProctorU.*
3. Purchasing AI access - Fred *There is no policy yet if the university should be paying for account access. They can be purchased with proper justification.*
4. ISU 125th Anniversary - Logan *Central Marcom is wanting to put together a traveling display. Looking for major faculty/students successes, links to publications, international students using what they've learned in their countries, and if possible when your department was created. Send to Logan by September 30.*
5. OAR Personnel Process - Jim *Work with Jim and do not submit to the Provost without going through Jim first. An exception is if the position is paid solely through a grant, just submit the paperwork.*
6. CoSE 3-5 yr draft Vision - All *Focus areas include: Grow enrollment, hiring new or replacement faculty, strengthening research capacity, teaching mission student experience, maintenance and upgrades of facilities*
