

1. President Wagner re: Dean's Search (30 mins via Zoom) *The President's Office will continue with this search since he started it. He wants to see it through. This is a continuation of the search, mainly the same search committee, etc. Reopened the search through the search firm. Increase for marketing. Won't rush the process and want to find the right Dean for the College. The hope is to have the search completed before the end of the semester when faculty are still here. Please continue to give feedback as the president takes that into consideration.*
